

AC Antennas acquired by ISIC part of Lagercrantz Group

ISIC A/S has of August 27, 2021 acquired all shares in the companies AC Antennas A/S and Stramatt ApS (AC Antennas).

AC Antennas with Headquarter in Glostrup, Denmark, is market leader within antennas for use in primarily the maritime market. The company started in 1970 and has had a good development for many years. With a very strong brand built on quality excellence, flexibility and innovation the company enjoys high valuation by international OEM's for the company's long-term commitment to the maritime industry.

ISIC A/S founded in 1997 with Headquarter in Brabrand, Denmark, holds a leading position as supplier of marine approved hardware, Monitors, Panel PC's and Computer systems. ISIC is by major OEMS seen as their preferred and long-term trusted partner.

For more than fifty years, AC Antennas has delivered antennas to the professional maritime industry. Today, the company is a global leader on the maritime market. The change of ownership will secure the future development of AC Antennas and support the continued growth of ISIC securing our customers access to the best in class products and services.

"We are pleased that we have reached an agreement with ISIC and Lagercrantz Group, and by changing the ownership and continue together with ISIC, we ensure that AC Antennas continues the successful journey as a strong antenna manufacturer in the future", says Director Claus Matthiesen, AC Antennas A/S.

Former owners Per Strandvig Sørensen and Claus Matthiesen, AC Antennas, will continue as the management for the company.

"AC Antennas and ISIC are a perfect match with strong synergies for both companies focusing on delivering outstanding quality to our customers. We are very proud that AC Antennas will continue the journey together with ISIC and look forward to improving and building even stronger products and services in close cooperation with the employees and the management of AC Antennas", says Managing Director Bo Lander Rasmussen, ISIC A/S.

As a subsidiary of ISIC A/S, AC Antennas will be part of Lagercrantz Division International.
